ITEM NO. IV NEW BUSINESS

Requests From The Floor.

Joyce Carr- Upset with Supervisor about item #5 Resolution about stating Town Clerk’s duties, saying New York State sets the duties not the Town Board. Supervisor then stated under Town Law the Board could impose other duties on town clerk and other employees. Resolution is being revised by attorney. The Supervisor stated the Town Clerk walked out of a meeting downstairs that is an elected official who is not doing her job. Supervisor Ballowe stated we have to keep moving forward. Mrs. Carr and Supervisor Ballowe complimented David Shenk. Councilman Munger told Mrs. Carr if the Town Clerk was feeling ill she did not let the Board know.

Peggy Cook-Liebler Road- Upset about the website. Munger said that website is still under construction. Feels terrible she missed the Memorial Day Parade due to website not being updated. Councilman Munger stated the new website is being updated to a completely new process. Ms. Cook asked if anyone here has the rights to update it and Councilman Munger stated he said he does but will not because it’s harder to work on than anything out there. He has researched other people to look at it but the cost is completely prohibitive or they just won’t touch it. Ms. Cook asked if there is a Town facebook page. Not that Munger is aware of.

Barbara Moore-Liebler Road- Asked Supervisor Ballowe for clarification if it was attorneys who were revising tabled Resolution. Supervisor Ballowe replied he meant town attorney.

Joan Bonsack- Omphalius Road- Since Marty, Jeff and Jay took office 6 years ago since, the rescinding of the fire contracts, Jay carrying a gun and numerous things that have happened in town. There is such division in the town. You have to leave your egos in at the door. You are separating your own party. Come together. Board is not being professional. Marty stated we have been here almost 7 years and we have not raised taxes in 6 years. Yes, there was heated discussions with Fire Companies in the beginning but that was settled. We contract with them every two years. We like contracts that do not renew themselves and that was the issue. We leave items open for discussion. We just purchased a new ambulance for EMS in the amount of \$160,000. We had their defined benefits program increased. In answer to your question Town Clerk’s do not hire their own people. Ms. Bonsack stated she has a Resolution stating otherwise. Supervisor Ballowe agreed that town clerks can deputize. Bonsack said you need to fix the problem with the Town Clerk. Supervisor Ballowe state he did not walk out of

Bryant Burns-Chestnut Lane- town plowing concerns state he has letters from town and county highway departments regarding the plowing contract issue. He said insubordination has caused this Town thousands of dollars.

Russell Goldberg – Plowing issue. Town Highway does plow into his driveway. Can't believe services would deliberately plow in someone's driveway. Spoke on anniversary of the burning of Jehovah Witness Hall in Maine. It was burned due to people not properly reciting the pledge to the flag.

ITEM NO. VI Reports and Presentations.

Town Attorney has nothing to report.

Highway Superintendent – absent.

Council Munger- Historical Society is open for the 2nd and 4th Sundays of the month from 2-4 p.m.

Councilman Genzel-in lieu of a report he gives a statement that was prepared. States he is receiving phone calls from supporters not in support of the Town Clerk. There was a 2016 Budget which Town Board sat with five members (voted on. Two part time clerk jobs were available for Beth and Sandy. The Board voted to reduce clerk's staff due to town clerk refusing to do her duties. Change the tax codes which went to the Assessor's Office to accommodate the public. Unfortunately, he clerks did not reapply for the positions. They sent in a deputy clerk re-appointment letter that position was not being funded. Deputy Town Clerk is a title not a position. It was voted on by Supervisor Ballowe, Councilmen Boardway, Genzel, Vara and Murtha. Me, Marty and Jay are not personally responsible for that decision. It was a Board. This Board right here voted to appoint two part time clerks at the Re-Organizational Meeting. It was unanimous. You were all here. The clerk crossed the line when she placed my name in the Pennysaver to the public, her notes on her doors and her office, are slanderous to and harassing to me and my family. Note from Jeff's attorney - I will no longer accept or tolerate Jennifer Mule' putting my name on signs in her office or on her door or in the paper without my consent. I will no longer accept or tolerate Jennifer Mule slandering my reputation, my business, my family and to the citizens of this Town. It is illegal and she will be held accountable for her actions and words. Let this be noted I have received counsel to pursue damages for the continued slander and harassment from Jennifer Mule'. With that being said, I ask the Town Board for permission to put metal detectors at the door or I will carry my concealed weapon. I do not trust the Town Clerk or her supporters. I have a family to go home to. I will not be a victim of work place violence for a disgruntled Town Clerk.

Councilman Keding- has an update in regards to ambulance. We did expedite the check for them so they did not lose the ambulance. That ambulance did come in a price of \$200,000 if it was not a demo unit. Working to get old one off the road and the new ambulance on the road. Conservation Advisory had a cleanup on a 2 mile stretch of the highway. Supervisor Ballowe complimented Jason on his first big project.

Supervisor Report- Repave parking lot. Website, over 100 kids for rec. Councilman Boardway is working with FEMA on Highway barn roof. Thank you to Peggy Cook for facebook idea. Given permission to Councilman Boardway to carry his weapon but also every Councilmen who sits there has permission to carry. All safety measures taken, including the glass window. We all want to go home to our families at night. Apologizes for delay tonight. The Memorial Day fest. was great. EMS, all Fire Companies, Boy Scouts and Girl Scouts were out there. Legislature Mills came out and made a great speech. Town Band did good job. All of the new flags.

Motion on the floor. All those in favor Aye. Motion carried. – Ms. Bonsack asked Supervisor Ballowe if he would swear under oath that you didn't know Jay was carrying before it got brought up.
