UNYTS Blood Drive, July 3<sup>rd</sup> from 3:00 pm - 7:00 pm, in the Community Room. Sponsored by Assemblyman David DiPietro. Everyone who donates will receive a UNYTS t-shirt, hotdog and ice cream.

## Councilwoman Martin reported on the following:

Attended the Zoning Board meeting last week as the liaison. The Zoning Board meeting scheduled for July 5<sup>th</sup> will be changed to July 12<sup>th</sup>.

## Councilwoman Lucachik reported on the following:

Code Review Committee met on May 15th, the sign code was reviewed. Next meeting is July 19th at 7:30 pm. Planning Board meeting is July 10th.

## Councilman Cartechine reported on the following:

Will attend the Fire Company cancer awareness seminar at Eden Central Schools with Ed Kane and Pat Penrod on June 18th.

## Councilman Munger reported on the following:

Nothing to report.

## Highway Superintendent Telaak reported on the following:

Parks department worked on drainage near the pond with digging a trench. Thanked the Town of Colden for bringing their excavator to assist with some work.

Highway department has been getting roads ready for oil and stone, and hope to be out next week.

There is no more brush pick-up until September.

Have been mowing shoulders and black top work to do.

## Attorney for the Town Costello reported on the following:

Attended the meeting regarding the DEC solid waste regulations, does not appear that it will have significant impact on the town.

## Supervisor Keding reported on the following:

Working on an extension for solid waste contract with Waste Management. Supervisors and Mayors have met and discussed the Erie County Tax Act. The work that has been done on this will be presented to the Erie County Legislature for them to vote on.

The Highway Department is in need of having the generator and the pressure washer replaced, plans to address that this week.

A tree is down in one of the town cemeteries, the town is responsible for the cleanup. Highway Superintendent has the bids and will be address and have tree cleaned up.

## REGULAR BOARD MEETING JUNE 13, 2018

five (5) Yes

TOWN HALL 7:30 P.M.

A motion was made by Supervisor Keding and seconded by Councilwoman Lucachik to adjourn the meeting at 8:11 pm.

## The Town of Boston is hosting SAFETY SEMINAR

Date: Wednesday, June 27, 2018

## Location: Boston Town Hall – Community Center 8500 Boston State Road, Boston, NY 14025

SESSION I: 12:30 PM - 3: 00 PM SESSION II: 5:00 PM - 9:00 PM

Note: times are approximate

Light refreshments will be served at Noon prior to start of the session.

### SESSION I:

## Safe Work Practices/Work Comp Costs - Primary Loss Causes - ALL STAFF -

This segment discusses awareness and prevention of the major causes of WC claims for municipalities, which are slips/trips/falls, back & lifting related injuries and motor vehicle accidents.

## Right to Know Refresher - ALL STAFF- State Mandated Annually

This session covers Safety Data Sheets, Labeling, and Recordkeeping requirements. This training also has been updated to include the new Global Harmonization Standard.

## Blood-borne Pathogens Refresher - ALL STAFF - Federally & State Mandated Annually

This session raises awareness to, and defines blood-borne pathogens, reviews risk factors, and reviews workplace protection measures.

## HAZWOPER/Emergency Response - State Mandated Annually for DPW/PD/FD personnel \*\*\*\*

This segment provides general awareness-level training on recognizing, assessing and reporting an accidental hazardous material release. It is required for those departments that may be first on the scene of a traffic accident, tractor-trailer roll-over, railcar incident, or other incident involving a spill, leak, or other accidental release of a hazardous substance.

### SESSION II:

## Safe Work Practices/Work Comp Costs - Primary Loss Causes - ALL STAFF -

This segment discusses awareness and prevention of the major causes of WC claims for municipalities, which are slips/trips/falls, back & lifting related injuries and motor vehicle accidents.

## Workplace Violence Prevention Refresher - ALL STAFF- State Mandated Annually

This segment reviews the law, municipal policies and procedures that must be in place, and includes a discussion on how to respond if you are in a potential workplace violence and/or active shooter situation.

## Sexual Harassment Refresher - ALL STAFF- Federally Mandated

This training covers the definition of Harassment and Discrimination, preventative measures to protect yourself if you're experiencing workplace harassment, and lastly, how to create an environment that celebrates diversity and tolerance.

## Right to Know Refresher - ALL STAFF- State Mandated Annually

This session covers Safety Data Sheets, Labeling, and Recordkeeping requirements. This training also has been updated to include the new Global Harmonization Standard.

## Blood-borne Pathogens Refresher - ALL STAFF - Federally & State Mandated Annually

This session raises awareness to, and defines blood-borne pathogens, reviews risk factors, and reviews workplace protection measures.

## Seating is somewhat limited, so please reserve your place by contacting:

Elizabeth Huson supervisors of fice @town of boston.com, or (716) 941-6518.

IMORTANT – PESH Refresher Training Is Required for ALL employees, supervisory staff, department heads, board members, volunteer board members, authorized employee representatives, elected officials, and seasonal employees, according to NYS DOL.

## RECEIVED BOSTON TOWN CLERK

21/ -- -6 8/2:43

Boston Town Board

8500 Boston State Rd.

Boston NY 14025

July 6, 2018

Honorable Town Board,

I request your consideration for appointment to the Zoning Board of Appeals. I understand they are currently looking for members.

I believe that my experience and background would serve me well in this capacity. It includes:

Town of Boston Supervisor

Town of Boston Councilman

Boston Capital Improvement Committee

Boston Conservation Advisory Council member

Erie County ECIDA

Erie County Sewer Board District #3

**Erie County CDBG Grant Committee** 

Resident of Boston 36 years

Thank you for your consideration,

Lisa Rood

lisarood@outlook.com

## QUAKER ESTATES, I LP P.O. Box 204 Boston, NY 14025 716-941-0057

July 9, 2018

Jason Keding, Supervisor Town of Boston Town Board 8500 Boston State Road Boston, NY 14025

Re: Request for Rezoning - Vacant Land on Boston State Road

Dear Supervisor Keding and Councilmembers:

This letter is being submitted on behalf of Quaker Estates I LP for the purpose of requesting rezoning on the vacant land on Boston State Road. A Concept Plan for the proposed commercial project has been prepared by Metzger Civil Engineering PLLC. The proposed project as depicted on the Concept Plan requires the zoning classification of the Project Site to be amended from C-1 to C-2.

A pdf of the Concept Plan has been submitted with this letter. Quaker Estates, I LP is asking that the proposed project be scheduled for discussion at the upcoming meeting of the Town Board on Wednesday, July 18<sup>th</sup>.

Thank for your anticipated cooperation.

MM

William Solak

# REVIEW OF FIXED ASSETS TOWN OF BOSTON January 1, 2017 through December 31, 2017

STEFAN I. MYCHAJLIW ERIE COUNTY COMPTROLLER HON. STEFAN I. MYCHAJLIW ERIE COUNTY COMPTROLLER'S OFFICE DIVISION OF AUDIT & CONTROL 95 FRANKLIN STREET BUFFALO, NEW YORK 14202

May 4, 2018

Jason A. Keding – Supervisor Town of Boston 8500 Boston State Road Boston, New York 14025-9648

Dear Supervisor Keding:

The Erie County Comptroller's Office has completed a review of fixed assets for the Town of Boston for the period January 1, 2017 to December 31, 2017.

We conducted our review in accordance with Generally Accepted Government Auditing Standards. Those standards require that we plan and perform the review to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions. Our objectives were to:

- Evaluate and assess the fixed asset process.
- Determine compliance with established policies and procedures over fixed assets.
- · Evaluate the propriety of the fixed assets purchased and recorded.
- Assess controls over the additions to and deletions from the inventory.
- Review proper and accurate documentation to support the purchases made and additions to inventory as well as the assets removed from inventory.
- · Review of lease agreements related to fixed assets.

We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on our review objectives.

AUDITOR COMMENTS	9
RESULTS OF EXIT CONFERENCE	. 10
APPENDIX: Comparison Summary	11

#### **EXECUTIVE SUMMARY**

During the course of our review, we found three significant issues which we are presenting to management for corrective action.

- Fixed Asset listings by department are not current and do not provide a true representation of the actual fixed assets owned by the Town. The last update appears to have been made in 2003. On the listing provided to us we could not locate \$1,463,635 in fixed assets. Further we found \$2,699,276 in assets, at estimated market value, that were not on the listing despite being currently in use.
- Annual Financial Reports were submitted to the Office of the State Comptroller for 2014, 2015 and 2016. These reports include general fixed asset totals for Land, Buildings, Improvements Other Than Buildings and Machinery and Equipment. However, documentation to support the asset totals for these years could not be located.
- 3. The Capital Asset and Procurement Policies are vague and lack necessary detail. The policies are outdated and have not been updated to represent changes to the current organizational environment. The Capital Asset Policy conflicts with the Procurement Policy on the value of assets to be tracked for inventory. Further, the Procurement Policy does not address requirements for asset purchases between \$5,000 and \$10,000 but requires purchases in the range of \$1,500 and \$5,000 to have written authorization, completed Purchase Request Form and Town Board notification.

#### REVIEW METHODOLOGY

The goals of our review were to determine whether adequate internal controls exist over the purchase of fixed assets, maintenance of a current fixed asset inventory, the sale of scrap materials/parts/equipment, or the auction of surplus items.

To achieve these goals we assessed the internal controls in place. Control questionnaires were utilized to document discussions with staff relative to the purchase transaction cycle, the additions of fixed assets to department inventory, the deletions from department inventory due to the sale of obsolete or surplus items and the recording of these transactions. We obtained and reviewed existing policies and procedures and assessed them for adequacy. Strengths and weaknesses of the control system were identified and indicated that we could not rely on the accuracy and completeness of the record keeping over fixed assets. There was a high level of risk that a material misstatement of the inventory valuation could occur and not be detected by management.

Our assessment was driven by several significant factors such as:

- Lack of management oversight.
- · Turnover of accounting/bookkeeping staff.
- Incomplete or insufficient recordkeeping.

- Absence of supporting documentation.
- Insufficient operational procedures.

In order to assist management of the Town of Boston to overcome this situation, we performed a complete physical inventory of the Town's assets by department for the year ending December 31, 2017.

A schedule was prepared which documented the current value of these assets at December 31, 2017. Each inventory item was assessed for the current value based on the condition and appropriate book value.

A separate schedule was prepared showing the assets last inventoried by the Town as compared with the changes in total value as presented to the State Comptroller in the Annual Update Documents for 2014, 2015, and 2016.

Going forward, the onus will be on the Town to work in conjunction with their auditors to develop a plan to control and value their fixed asset inventory.

#### **BACKGROUND**

The Town of Boston (Town) was formed in 1817 and is located in Erie County with a population of almost 8,300 residents. The Town provides various services to its residents including general governmental support, street maintenance and improvements, snow removal, water service, and refuse collection.

The Town Board (Board) is an elected five-member legislative body that is responsible for the oversight of the Town's finances and operations. The Board consists of the Town Supervisor (Supervisor) and four Council members. Currently, there is one vacancy on the Council.

Erie County serves as a source of revenue for the Town of Boston's budget. Due to a 1977 sales tax sharing agreement entered into by Erie County, the county shared over \$1.1 million with the Town of Boston in 2017. This money is used to offset property taxes which would otherwise be paid by Town of Boston property tax payers. As such, Erie County has an interest in the fiscal health of the Town of Boston.

The Board is responsible for the overall financial management of the Town. This includes establishing internal controls that safeguard assets. Annually, the Board reviews and adopts a procurement policy that is designed to provide guidance and compliance by all Town officials and employees when making purchases.

The Board and Budget Officer are responsible for the effective management and financial planning in order to provide continuous and responsible services to residents. The Budget Officer retired in November 2016. A contractor was hired to replace the retiring Budget Officer.

However, the contractor was released in August 2017. The Board has since contracted with an outside CPA firm to perform fiscal operations in the interim of hiring a replacement.

In November 2017, Boston citizens elected new officials including the Supervisor, two council members, the Town Clerk, and Town Justice.

With the Office of the State Comptroller not performing an audit of the Town since 2011, the Board passed resolution #2018-09. This resolution requested assistance from the Erie County Comptroller's Office. It was agreed that the Comptroller's Office would perform a review of fixed assets for the period 1/1/2017 to 12/31/17. The Board ultimately is seeking improvements in the governance of internal controls for the safeguarding of Town assets. A review provides an independent assessment of the Town of Boston's fixed assets.

#### **FINDINGS**

#### I. Missing Assets

The Capital Asset Policy describes Fixed Asset Summaries (Summaries) as being the responsibility of department heads to update the assets as a result of various additions and dispositions. The Summaries for all departments were obtained from the Supervisor's Office prior to the start of our review. These Summaries were undated and lacked department head signatures attesting to the validity of the inventory items listed.

- The total value of assets listed on the Summaries was \$5,501,268. We located inventory assets on these summaries totaling \$4,037,633 leaving \$1,463,635 unaccounted for as either sold, scrapped, stolen or otherwise misappropriated. Of the \$1,463,635 in assets not located, \$1,142,117 were attributable to the Highway Department.
- Our inventory found \$2,699,226 in assets that were not listed on the departmental asset summaries.

The discrepancies with both the missing assets and the unrecorded assets were the result of non-compliance with existing policies and procedures coupled with a lack of management oversight.

Accordingly, WE RECOMMEND that Town management take the steps to ensure that all department heads are aware of and are compliant with the proper procedure for adding to and deleting from the departmental Summaries. In addition, management should periodically monitor departmental compliance.

#### II. Unsupported Annual Financial Reports

Article 3, Section 3 of the New York State General Municipal Law requires every municipal corporation to provide a report of its financial condition to the Office of the State Comptroller.

Section K of the Annual Financial Report (Report) requires a breakdown of fixed assets by asset group for Land, Buildings, Improvements Other Than Buildings and Machinery & Equipment. As noted in the Appendix, we obtained and reviewed Section K of the Report for 2014, 2015 and 2016. Each of the years showed total assets in excess of \$10,000,000. However, the Town was unable to provide supporting documentation to substantiate the amounts reported to the Office of the State Comptroller for any of the three years.

It should be noted that the office structure for the Town's bookkeeper/accountant has been in a state of flux. Accordingly, the preparation of the Report was the responsibility of individuals no longer working for the Town. Compounding the problem is that the Report was available without any of the underlying support documentation. Thus, we could not confirm the accuracy of the Section K data submitted to the State Comptroller.

WE RECOMMEND that Town management immediately implements a process to ensure that all documentation used to prepare the Report is retained physically and backed up electronically. This would be applicable whether the Report is completed by employees of the Town or by an outsourced vendor.

#### III. Policies and Procedures

A review of the Capital Asset and Procurement Policies was completed where we focused on the relevance and effectiveness of safeguarding assets. Our testing revealed inadequate controls as well as non-compliance surrounding the procurement, addition and deletion of the fixed assets inventory.

The Town has both a Capital Asset Policy and a Procurement Policy to provide guidance over purchases.

#### A. Capital Asset Policy (Policy)

This Policy describes how to update and maintain the Summaries by department including establishing a starting value, adding assets to inventory and disposing assets from inventory.

We found that the starting inventory did not contain all the required information noted on the Summaries. Further, the Purchase Request Forms (PRF) were not always utilized as required, which prevented assets from being added to inventory. Lastly, the asset disposal forms were also not utilized so that obsolete or disposed items could be removed from inventory.

To ensure a more complete and accurate inventory, WE RECOMMEND that management of the Town consider updating the Policy to include:

- Requiring a periodic update to the inventory.
- Updating the Summaries to include the signature of the department head and the date last inventoried.

#### **B.** Procurement Policy

The Procurement Policy states per Guideline 3, "All estimated purchases of (a) less than \$20,000 but greater than \$10,000 require a written request for a proposal (RFP) and written/fax quotes from 3 vendors; or (b) less than \$5,000 require an oral request for the goods and oral/fax quotes from 3 vendors if possible; or (c) less than \$1,500 are left to the discretion of the Purchaser."

This procedure does not address purchases between \$5,000 and \$10,000. Additionally, it requires purchases less than \$5,000 to have an oral request and oral/fax quotes but fails to address how the oral quotes are documented for the Supervisor to review with the Board.

The Policy states per Guideline 7, "purchases in the range of \$1,500 and \$5,000 require written authorization. Purchase Request Form, signed by the Supervisor and the Supervisor will discuss with the Town Board prior to approval. Purchases over \$5,000 require approval at the Town Board meeting."

WE RECOMMEND that the Procurement Policy be updated to address those purchases between \$5,000 and \$10,000.

WE FURTHER RECOMMEND the Purchase Request Form be updated to provide Supervisor approval attesting purchases between \$1,500 and \$5,000 were discussed with the Town Board prior to the Supervisor's approval.

#### IV. Asset Forms

#### A. Purchase Request Form Record Book

Our review of the PRF Record Book disclosed the inconsistent recording of these PRFs, not only in 2017 but as far back as 2005. This is contrary to the purchasing directives which are part of the Policy. As such, it is difficult to ensure that all purchases of inventory assets are recorded properly.

WE RECOMMEND that Town management take the steps necessary to ensure that all policies and procedures relative to fixed asset procedures are followed to provide reasonable assurance that all such purchases are accurately recorded.

#### B. Disposal Form

The Policy states "When an asset is no longer useful, a "Disposal Form" (Form) must be completed by the department head. Our review noted at least two assets sold at auction in 2017. No Form was located for the sale of neither a 1998 Plow Truck for \$2,650 nor a 2003 Cargo Trailer for \$3,050. Additionally, the Disposal Form does not have a designated line to note the date the Form is completed and a line for the bookkeeper to sign, verifying the date payment was received and a copy of the deposit ticket attached. The Form is not prenumbered nor is it required to be recorded in a Record Book similar to the Purchase Request Form.

In order to ensure that all disposed assets are properly recorded, **WE RECOMMEND** that the Town takes the necessary steps to reiterate to department heads the purpose of this Form and takes the additional steps to monitor compliance.

#### AUDITOR COMMENT

Regarding the use of a PRF, the wording in the Policy and on the actual PRF is conflicting which makes the actual intent of Town management subject to interpretation. The Policy states "When any department finds it necessary to make a purchase, for whatever reason, if the item or items are \$100 or more, a PRF must be obtained from the Supervisor's office..." This conflicts with wording on the PRF which states that the form tracks assets with a value of \$300 or more.

In order to eliminate confusion with respect to the use of \$100 versus \$300, WE RECOMMEND that Town management clarify the dollar value for recording purchases as an asset by ensuring the Policy and the PRF reference the same amount.

We wish to thank the Supervisor, members of his staff and the other employees of the Town of Boston who provided us assistance during the course of our review.

#### RESULTS OF THE EXIT CONFERENCE

An exit conference was held on June 6, 2018 where the contents of the report were discussed with the Town Supervisor. He was in general agreement with our findings and recommendations.

We request that the Supervisor provide a written response to our report by June 21, 2018 addressing the findings and recommendations by detailing the Town's course of corrective action.

#### **ERIE COUNTY COMPTROLLER'S OFFICE**

cc: Town Board, Town of Boston

#### **APPENDIX**

1000					
	Fixed Asset Summary	2014 AUD	2015 AUD	2016 AUD	Auditor Valuation of Physical Count

## COMPTROLLER MYCHAJLIW OVERSIGHT: \$1.5 MILLION IN ASSETS UNACCOUNTED FOR IN TOWN OF BOSTON

Comptroller Stefan I. Mychajliw conducts review following formal request from Boston Town Board to right financial ship, aids Supervisor Jason Keding in returning fiscal accountability

(ERIE COUNTY, NY) - Erie County Comptroller Stefan I. Mychajliw completed a formal review of government finances and fixed assets in the Town of Boston, New York, and found almost \$1.5 million in assets were unaccounted for. Of the approximately \$1,463,635 in equipment, tools and other fixed assets that are not accounted for, approximately \$1,142,117, belonged in the Town of Boston Highway Department.

Auditors from the Office of Erie County Comptroller found documentation for the \$1.5 million in fixed assets belonging to the Town of Boston, but could not be shown by Boston officials or its employees exactly where it all is, leading auditors to conclude in their report it was either "sold, scrapped, stolen or otherwise misappropriated."

"This equipment belongs to the taxpayer. Eric County shared \$1.1 million in sales tax revenue with the Town of Boston last year. Town of Boston and all Eric County taxpayers paid the bill for Boston to buy this equipment. Now the Town cannot account for almost \$1.5 million in fixed assets. Something isn't right here. This seems fishy to me. The equipment may have been stolen. These fixed assets could have been sold or scrapped. Our auditors were not provided documentation that shows exactly what happened to \$1.5 million in equipment, most of it from their highway department," said Comptroller Mychajliw.

The \$1.5 million in unaccounted equipment in the Town of Boston includes: dump trucks, pickup trucks, excavators, snow plows, lawn mowers, a wood chipper, computers, laptops, cameras, copy machines, computer printers, office cabinets, sanding equipment, office chairs and other office furniture.

To put this dollar figure in perspective, the entire 2017 Town of Boston budget was approximately \$4,819,190. The \$1.5 million in unaccounted fixed assets in Boston is just under one-third of the entire budget and is actually more than the Town's entire 2017 Highway budget of \$1,134,344.

At the request of the new Boston Town Supervisor Jason Keding, Comptroller Mychajliw's office reviewed the town's financial records and found areas that critically need to be approved upon. The Boston Town Board passed a resolution in February of this year, formally requesting auditors from the Office of Erie County Comptroller to review finances in the Town, with the goal of receiving recommendations on how Supervisor Keding and Board members can improve Boston's fiscal health.

"As the newly elected supervisor, I felt it was important to determine exactly what kind of budget I inherited. That is why our Town Board passed a resolution in February, asking the Office of Erie County Comptroller to investigate. It was my goal to dig deep and determine the fiscal health of our town. This independent review offered pointed recommendations on how I can clean up this mess that I inherited. The buck stops with me. I'm thankful for this eye opening review. I will now get to work fixing this mess for the taxpayer," said Town of Boston Supervisor Jason Keding.

Auditors from Comptroller Mychajliw's office performed a complete physical inventory of the Town of Boston's assets by department for the year ending December 31st, 2017, prior to Mr. Keding taking office as Supervisor. In addition to finding almost \$1.5 million in equipment that was unaccounted for, the Comptroller's Office review was also highly critical of the town's inventory practices and procedures.

Office of Erie County Comptroller auditors identified an additional \$2.7 million in equipment currently in use, but Town of Boston officials could not provide the documentation that showed exactly where it came from. Unlike the \$1.5 million in fixed assets that are unaccounted for, this additional \$2.7 million is for equipment that actually exists, but no documentation can be provided to show where it was bought, how it was bought, who it was bought from, or even where it came from.

A review of policies and procedures in Boston that relates to purchasing and inventory/documentation of equipment either did not exist, were not being followed, or even conflicted one another. For example, the Town of Boston procurement policy is clear on requirements to make purchases between \$1,500 and \$5,000, but there are no written policies or procedures on how to buy anything in the Town of Boston if it costs between \$5,000 and \$10,000.

In some cases, Town of Boston employees, prior to 2018, were also found not to be using their Purchase Request Forms (PRF) to document when equipment/fixed assets were purchased. They were also not filling out their "asset disposal forms" so that people knew when items were obsolete or thrown out.

For example, even though the Town of Boston sold a 1998 plow truck for \$2,650 at auction in 2017 and a 2003 cargo trailer for \$3,050, no one could provide the "asset disposal form" that was required to be completed when getting rid of old equipment.

Every year, Comptroller Mychajliw meets with Town Supervisors, Village Mayors and City Mayors across Erie County. An offer is made by the Office of Erie County Comptroller to assist fellow elected leaders, regardless of political party, in any way it can. This annual meeting with Town of Evans Supervisor Mary Hosler led to her formally requesting, in November 2016, a temporary loan and corrective action plan from Comptroller Mychailiw that put the Town of Evans back on sound financial footing.

It was during a similar meeting with Supervisor Keding at the beginning of 2018 where Comptroller Mychailiw offered to assist the Town of Boston. That is when Supervisor Keding asked Comptroller Mychajliw to complete a fiscal review of Town of Boston finances, and the Town Board approved a formal resolution requesting one.

The County has a significant financial interest in the Town of Boston, sharing more than a million dollars annually (\$1,165,745 in 2017) as required by the 1977 Sales Tax Sharing Agreement. Annually that agreement shares more that \$200 million county taxpayer dollars with local municipalities.

"When Supervisor Keding took office he knew he had a challenge on his hands. I applaud him for taking me up on my offer that my office is available to help towns in any way that we can. My team immediately went to work to help the Town of Boston in identifying weaknesses and errors. Our recommendations will help Boston correct past errors and create a stronger town government," concluded Comptroller Mychailiw.

RE:

Job Appointments for the 2018 Summer Recreation Day Camp

DATE:

June 26, 2018

I recommend for appointment to our 2018 Summer Recreation Day Camp the following employees who are returning. The duration of these jobs include staff training and planning, Day Camp season, June 24 to and including August 18, 2018 and end with a final camp wrap up session until August 20, 2018.

Please note: as of today the following will be the Summer Recreation staff for this years camp, upon appointment by the Town Board.

<b>EMPLOYEE</b>	<u> Iob Title/ Position</u>	Hourly Pay Rate
Melissa McCaffrey	Camp Director	\$14.00
Kristina McCaffrey	Site Supervisor	\$12.00
Kelly DeGrood	Site Supervisor	\$12.00
Tristian Giordano	Counselor/ Life Guard	\$10.90
Christian Kostowniak	Counselor/EMT/Camp Health Dir	\$11.25
Megan Hopkins	Counselor/ Assit. Supervisor	\$11.25
Alexa Pace	Counselor	\$10.40
Dylan Noeller	Counselor	\$10.40
Lucas Kennedy	Counselor/EMT	\$10.90
Gabrielle Henneburg	Counselor	\$10.40
Daniel Janak	Counselor	\$10.40
Alyssa Zeniuk	Counselor	\$10.40
Jocelynn Giordano	Counselor	\$10.40
Katie Scheffield	Counselor	\$10.40
Kathryn Seider	Counselor/EMT	\$10.90
Tori Gamel	Counselor	\$10.40
John Georger	Tennis Instructor	\$15.00
Jen Schunk	Summer Skills Instructor	\$15.00

<b>EMPLOYEE</b>	<u> Iob Title/ Position</u>	<b>Hourly Pay Rate</b>
Conor Long	Sub Counselor	\$10.40
Ashley Jablonski	Sub Counselor	\$10.40
Abbey Smolinski	Sub Counselor	\$10.40
Ava Zeniuk	Sub Counselor	\$10.40
Kole Taylor	Sub Counselor	\$10.40
Madeline Brinkerhoff	Sub Counselor	\$10.40
Kylie Magill	Sub Counselor	\$10.40
Caitlin Kostowniak	Sub Counselor	\$10.40
Zachory DeCarolis	Sub Counselor	\$10.40
Derek Wieckowski	Sub Counselor	\$10.40

Thank you for your consideration. If there are any changes in job title  $\prime$  position, I will submit those changes accordingly.

Sincerely,

Tony Zeniuk Recreation Director

# Proclamation for Eagle Scout Paul DiCorso, Jr.

100 Ransier Drive West Seneca, NY 14224

June 20, 2018

Mr. Jason Keding, Town Supervisor Town of Boston 8500 Boston State Rd. Boston, NY 14025

RE:

EXTENSION OF AGREEMENT BETWEEN THE TOWN OF BOSTON AND WASTE MANAGEMENT OF NEW YORK LLC FOR COLLECTION AND HAULING OF MIXED MUNICIPAL SOLID WASTES AND COLLECTION, HAULING AND DISPOSAL OF BULKY WASTES, CONSTRUCTION AND DEMOLITION DEBRIS, AND WHITE GOODS AND COLLECTION, HAULING AND PROCESSING OF RECYCLABLES.

Dear Supervisor Keding:

This letter will formally acknowledge the agreement between the Town of Boston and Waste Management of New York LLC (WMNY) concerning the extension of the present contract for the Collection and Hauling of Mixed Municipal Solid Wastes and Collection, Hauling and Disposal of Bulky Wastes, construction and Demolition Debris, and White Goods and Collection, Hauling and Processing of Recyclables.

The parties agree to extend the current contract an additional one (1) year commencing 7/1/2018 and continuing through 6/30/2019. This extension would continue under the same general terms and conditions except those modification specified below.

The rate per home shall be \$198 per year, to take effect on 7/1/18. Additionally, as a result of the dramatic changes in the market for recyclable materials, a fee per ton will be assessed for the recyclable materials collected. The fee will be calculated as set forth on Attachment A and Exhibits A and B attached hereto.

Please acknowledge acceptance of this extension with the appropriate signature and return one executed copy via email to jnocella@wm.com.

If you have any questions, please do not hesitate to contact me at 617-590-8229. We look forward to this opportunity to continue to provide excellent service to the Town of Boston for the next year and beyond.

Sincerely,
James Nocella
Area Director, Public Sector Solutions
Waste Management of NY, LLC

I hereby acknowledge receipt	of this letter and agree	with the terms	of the extension,	as listed above.

### **ATTACHEMENT A**

### SINGLE STREAM RECYCLING SPECIFICATION, TERMS AND CONDITIONS

### 1. **DEFINITIONS**

- "Blended Value" or "BV" is the total weighted value per Ton of each Recyclable and Non-Recyclable component (including negatively-valued Recyclables and transfer and disposal costs of Non-Recyclables) for the Single Stream Materials delivered by or on behalf of Customer to the Designated Facility.
- "Composition Audit" means the basis upon which Single Stream Materials are measured to determine the percentage of each Recyclable and Residue component.
- "Company Fee" means the compensation per Ton for costs incurred by Company to prepare Recyclables for end markets, i.e., those actions necessary to render Recyclables acceptable to end markets and/or designated buyers.
- "Contamination Audit" means the basis by which Customer's Single Steam material are measured to determine the percentage of "Non-Recyclables" present.
- "Excluded Materials" means radioactive, volatile, corrosive, flammable, explosive, biomedical, infectious, bio-hazardous or toxic substance or material, or regulated medical or hazardous waste as defined by, characterized or listed under applicable federal, state, or local laws or regulations, materials containing information (in hard copy or electronic format, or otherwise) which information is protected or regulated under any local, state or federal privacy or data security laws, including, but not limited to the Health Insurance Portability and Accountability Act of 1996, as amended, or other regulations or ordinances, and/or any other waste not approved in writing by Company.
- "Net Value" means the amount paid to Customer by Company, or paid to Company by Customer, after subtracting any charges owed by Customer from the Customer's value share.
- "Non-Recyclables" means any materials in the Single Stream Materials that are not Recyclables as set forth in Exhibit A.
- "Recyclables" means acceptable materials contained within the Single Stream Materials as set forth and further defined in Exhibit A.
- "Residue" means the Non-Recyclables and other materials removed from the Single Stream Materials during processing due to their size, type, condition or processing system constraints, and which are disposed of after such processing.
- "Single Stream Materials" means all Customer's materials delivered to Company containing Recyclables and Non-Recyclables.
- "Specifications" means the description of the Single Stream Materials as set forth in Exhibit A.
- "Ton" means 2,000 pounds.
- "Uncontrollable Circumstances" means any act of terrorism, act of God, landslides, lightning, forest fires, storms, floods, typhoons, hurricanes, severe weather, freezing, earthquakes, volcanic eruptions, other natural disasters or the imminent threat of such natural disasters, pandemics, quarantines, civil disturbances, acts of the public enemy, wars, blockades, public riots, labor unrest (e.g., strikes, lockouts, or other labor disturbances), acts of domestic or foreign governments or governmental restraint or other causes, whether of the kind enumerated or otherwise, and whether foreseeable or unforeseeable, that are not reasonably within the control of a party.

### 2. QUANTITY AND QUALITY

- a. During the term of the Agreement, Company shall take and Customer agrees to provide one hundred percent (100%) of the Single Stream Materials collected by or on behalf of Customer. Customer shall not discontinue collection of any material listed as a Recyclable, nor divert, retract, or withdraw from the Single Stream Materials any Recyclables listed in Exhibit A without the express written consent of Company. Customer shall not allow scavenging of any Recyclables from the Single Stream Materials. Any additions to the listing of acceptable Recyclables in Exhibit A shall be made upon the mutual agreement of Customer and Company.
- b. Customer represents and warrants that it shall provide and deliver the Single Stream Materials in accordance with the Specifications set forth in Exhibit A. Title to Recyclables provided by Customer to Company is transferred to Company upon Company's receipt or collection unless otherwise provided in this Agreement or Applicable Law. Title to and liability for Excluded Materials shall remain with Customer at all times

- c. Composition Audits may be performed by Company at its discretion on Single Stream Materials delivered to the Designated Facility by or on behalf of Customer in order to identify the overall material composition and associated Blended Value. For the purposes of the Blended Value, the composition percentages derived from the most recent Composition Audit will be effective after each Composition Audit the month immediately following the most recent Composition Audit.
- d. Contamination Audits may be performed by Company at its discretion on Single Stream Materials delivered to the Designated Facility by or on behalf of Customer in order to identify the overall percentage of "Non-Recyclables" or "Contamination" present. Where the percentage of Non-Recyclables exceeds ten (10) percent, the excess Contamination percentages derived from the most recent Contamination Audit will be effective after each Contamination Audit the month immediately following the most recent Contamination Audit and Customer shall be subject to an Excess Contamination Charge.

### 3. PRICING/PAYMENTS

Payments and charges to Customer shall be calculated as set forth on Exhibit B. Company shall pay Customer (or Customer shall pay Company) the Net Value of the Single Stream Materials. Where the Net Value is positive, Company shall pay Customer on or about the last day of the month following delivery for those Single Stream Materials purchased during the preceding month. Where the Net Value is negative, Customer shall pay Company within 30 days of date of invoice.

### 4. DELIVERIES

Company shall deliver Single Stream Materials to a facility of its choice. All Single Stream Materials must be delivered in self-dumping trucks and will be weighed in and out by Company at the facility.

### 5. MATERIALS

- a. If Excluded Materials are delivered to the Facility by or on behalf of Customer, Company, in its sole discretion, may reject the entire load, or separately contain, set aside, segregate, isolate and manage such Excluded Materials as required by Applicable Law. Customer will be notified promptly of the location, general character and amount of such Excluded Materials. If requested by Company, Customer must remove, or cause to be removed, such Excluded Materials from the Designated Facility and shall transport and dispose of, or shall cause such Excluded Materials to be transported and disposed, in accordance with Applicable Law. If Customer fails to timely remove such Excluded Materials after request by Company, Company may, after notice to Customer, transport and dispose of such Excluded Materials and charge the costs thereof to Customer.
- b. Company shall recycle the Recyclables for reuse and, provided that there is a commercially reasonable available market for such material, shall not dispose of any Recyclables, except such Residue left after appropriate processing of the Single Stream Materials. Company makes no representations as to the recyclability of the Recyclables and may dispose of such Recyclables when no reasonable commercial market exists.

### 6. PUBLIC EDUCATION AND OUTREACH

The parties acknowledge that maintenance of the quality of the Single Stream Materials is a requirement of this Agreement, subject to the provisions herein. Customer shall use reasonable efforts to inform its residents of the quality requirements hereunder and enforce its standards for the acceptance of Single Stream Materials. Company shall provide reasonable assistance to Customer in such efforts.

### 7. EFFECT OF MATERIAL CHANGE AFFECTING AGREEMENT

In the event that a change in Applicable Law or a material change in market conditions occurs, including but not limited to lack of commercially reasonable market availability for processed Recyclables, changes in market specifications affecting the salability of processed Recyclables, changes affecting the recyclability or marketability of Recyclables, changes in the quantity, quality or composition of the Recyclables or Single Stream Materials, (each a "Material Change"), has the effect of materially altering the terms of this Agreement, or preventing or precluding compliance with one or more provisions of this Agreement, or preventing, precluding or substantially affecting the benefit(s) bargained for under this Agreement, including profits of Company, this Agreement shall be modified or suspended as may be necessary to comply with, ameliorate, or prevent the detrimental effects on the Agreement of, such Material Change. A Party detrimentally affected by a Material Change shall so notify the other Party and request amendment to this Agreement accordingly, and the Parties shall engage in good faith negotiations for a period of three (3) months after such request regarding such amendments of this Agreement that reflect the extent to which the provisions hereof have been, or should be, so modified or suspended. If a Material Change precludes or reduces any of Company's rates or other revenues, or otherwise increases costs to process single stream materials, then the Parties shall modify this Agreement in accordance with this provision in order that Company can achieve, on an ongoing basis, profits that existed immediately prior to the Material Change.

### EXHIBIT A

### **SPECIFICATIONS**

RECYCLABLES shall be dry, loose, not bagged, and includes the following:

Aluminum food and beverage containers - empty	Glass food and beverage containers – brown, clear, or green - empty
Ferrous (Iron) cans – empty	PET plastic containers with the symbol #1 – with screw tops only - empty
HDPE natural plastic containers with the symbol #2 (milk and water bottles) – empty	HDPE pigmented plastic containers with the symbol #2 (detergent, shampoo bottles, etc.) - empty
	Newsprint
Old corrugated containers	Magazines, glossy inserts and pamphlets
Catalogs	Cereal boxes; detergent, gift and snack boxes
Telephone books	Printer paper
Copier paper	Mail
All other office paper without wax liners	

Recyclables may be added or deleted upon mutual consent of the Parties.

### RECYCLABLES do not include the following:

Bagged materials (even if containing Recyclables)	Microwave trays
Mirrors	Window or auto glass
Light Bulbs	Ceramics
Porcelain	Plastics unnumbered
Plastic bags, expanded polystyrene	Coat hangers
Glass cookware/bakeware	Household items such as cooking pots, toasters, etc.
Flexible packaging and multi-laminated materials	Wet fiber
Excluded Materials	Fiber containing, or that has been in contact with, food debris
Any recyclable materials, or pieces of recyclable materials, less than 2" in size in any dimension	Materials: (a) that contain chemical or other properties deleterious, or capable of causing material damage, to any part of Company's property, its personnel or the public; and/or (b) that may materially impair the strength or the durability of the Company's structures or equipment.

### **DELIVERY SPECIFICATIONS:**

Single Stream Materials delivered by or on behalf of Customer may not contain more than 3% Non-Recyclables or any Excluded Materials. In the event a load of Single Stream Materials does not meet Specifications, the load may be rejected and/or Customer may be charged additional processing, return or disposal costs, including Excess Contamination Charges as set forth on Exhibit B.

### EXHIBIT B

### BLENDED VALUE/CHARGES

### 1. VALUE SHARE

Where the Blended Value is greater than the Company Fee, Customer's value share is 50% of the difference between the Blended Value and the Company Fee. When the Blended Value is less than the Company Fee, Customer shall pay Company the difference between the Company Fee and the Blended Value.

### 2. CHARGES

- (a) The initial Company Fee is \$72.00 per delivered ton.
- (b) The initial Residue Fee is \$230.00 per delivered ton.
- (c) The initial Excess Contamination Fee is \$275.00 per ton.
- (d) The Company Fee, Residue Fee, and Excess Contamination Fee shall be increased by 3.5% on July 1, 2019 and each July 1 thereafter should this Agreement be extended further.

### 3. BLENDED VALUE

To calculate the Blended Value per ton of the Single Stream,

- (a) The percentage of each Recyclable and Residue component set forth below contained in the Single Stream Materials as established and revised from time-to-time by the Composition Audits, is multiplied by current value of each commodity set forth below; and
- (b) Each commodity value per ton is added together to obtain the Blended Value per ton. Customer acknowledges that the value of a commodity may be negative. Blended Value is calculated monthly.
  - "PPW" means the higher of the prices issued by RISI PPI Pulp & Paper Week for the New England Region, Domestic Price, 1st issue of the month retroactive to the first of the month.
  - "SMP" means the higher of the price published at www.SecondaryMaterialsPricing.com, for the New York Region, first dated price each month, retroactive to the first of the month.
  - If PPW or SMP (or both) is no longer reflective of prevailing market conditions or if an alternative publication more accurately reflects such market conditions, then Company may propose to use any such alternative publication(s) or alternate method to determine the value of each commodity set forth below. Customer's consent, which shall not be unreasonably withheld, conditioned or delayed, to the use of such alternate publication or method shall be required.
  - Notwithstanding anything to the contrary contained herein, if Company determines prior to the 10th of the month, that the anticipated Actual Value for any commodity will be more than 10% lower than the index published for such commodity that month, due to market conditions, Company may substitute the anticipated Actual Value as established on or about the 10th of the month for the index value that month.
  - "Actual Value" means the average price paid to or charged the Designated Facility during the month
    of delivery of the Single Stream Materials, minus any freight, customs charges, duties, or other
    charges paid to third parties for such sales.
  - Customer shall pay Company a charge for each ton of residue delivered ("Residue Fee").
  - The initial composition of the Customer's Recyclables shall be presumed to be as set forth below.

Material Component	Commodity Value	Composition %
Cardboard and other brown papers	PPW OCC #11	26.93%
All other paper	PPW MIX #54	46.65%
Aluminum / beverage cans	SMP for Aluminum Cans (Sorted, Baled, ¢/lb., picked up minus \$0.08 per pound	0.12%
Steel/Tin	SMP for Steel Cans (Sorted, Densified S/Ton dropped off at RC)	1.82%
Plastic #1	SMP for PET (baled, ¢/lb. picked up)	1.46%
Plastic #2 Natural	SMP for Natural HDPE (baled, g/lb. picked up)	0.57%
Plastic #2 Colored	SMP for Colored HDPE (baled, ¢/lb. picked up)	0.57%
Mixed Plastics	Actual Value	1.65%
Glass	Actual Value	17.22%
Residue	Residue Fee	3.00%
Total:		100%

### 4. EXCESSIVE CONTAMINATION

(a) Composition Audit. Where a Composition Audit determines that Customer's percentage of Non-Recyclables exceeds three percent (3%), among other changes in the composition, the composition table shall be revised to reflect the new composition in order to determine Blended Value. In addition, Customer shall pay Company an Excess Contamination Fee for the percentage greater than 3%. As an example, if Customer's non-Recyclables are 8% Customer shall pay Company for 5% of the total tons delivered in the month multiplied by \$50.00 per ton as compensation for excess non-Recyclables in additional to any other charges owed. Company may net such charge from Customer's Value Share where such Value Share is positive. By way of example:

Blended Value – Processing Fee under the revised composition table = \$13.25 - \$72.00 = \$58.75 per ton charge

30 tons per month delivered

Excess Contamination Fee = 5% of 30 or 1.5 tons x \$50.00 per ton = \$75.00

Total Charge:  $$58.75 \times 30 \text{ tons} + $75.00 = $1,837.50 \text{ per month}$ 

(b) Contamination Audit. Where a Contamination Audit determines that Customer's percentage of Non-Recyclables exceeds three (3%), the total tons used to calculate Blended Value shall be reduced by the amount of excess contamination. Excess contamination shall be charged at \$275.00 per ton.

By way of example (if the contamination audit shows 8% contamination):

Blended Value = \$22.01- Company Fee = \$72.00 Excess Contamination = 5% and Excess Contamination Fee = \$275.00 30 tons delivered in the month

Customer Value/Charges =

Value: Blended Value – Company Fee = (\$22.01 - \$72.00) per ton = \$49.99 charge per ton x 28.5 tons = \$1,424.72

Excess Contamination Fee: \$275.00 per ton x 1.5 tons = \$412.50

Total Charge: \$1,424.72 + \$412.5.00 = \$1,837.22 for the month

	Revenue Share Calculation - Single Stream - June 2018 Example			*

### TOWN OF BOSTON - RESOLUTION NO. 2018-30

### AMENDING BUDGET FOR SALE OF JOHN DEER TRACTOR

WHEREAS, the Town of Boston received unanticipated revenues from Auctions International in the amount of \$3,555.00 from the sale of its 2010 John Deere X740 Ultimate Ride On Tractor 62; and

WHEREAS, these funds were not included in the amount budgeted for the fiscal year ended December 31, 2018; and

WHEREAS, these funds were deposited into revenue account A00-2665-0000 (Sale of Property and Comp Loss); and

WHEREAS, the Town anticipates purchasing new equipment to replace these tractors from account A00-7110-0201 (Equipment), also not included in the 2018 adopted budget;

### NOW THEREFORE BE IT

RESOLVED, that the Town of Boston Budget hereby is amended effective immediately:

Account No. A00-7110-0201	Equipment	\$3,555.00
	Sale of Property	\$3,555.00
	** 1	Increase Revenues:

On July 18, 2018, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

### TOWN OF BOSTON - RESOLUTION NO. 2018-31

# AMENDING BUDGET TO PROPERLY ACCOUNT FOR STATE FARM INSURANCE RECOVERY

WHEREAS, the Town of Boston received unanticipated revenues from State Farm Insurance Agency in the amount of \$2,883.32 from property damaged by a Town resident; and

WHEREAS, these funds were not included in the amount budgeted for the fiscal year ended December 31, 2018; and

WHEREAS, these funds were deposited into revenue account DB0-2680-0000 (Insurance Recoveries); and

WHEREAS, the Town paid for expenditures relating to the property damage from account DB0-5110-0420 (General Repairs - Drainage), also not included in the 2018 adopted budget;

### NOW THEREFORE BE IT

**RESOLVED**, that the Town of Boston Budget hereby is amended effective immediately:

1) Increase Appropriations:
Account No. DB0-5110-0420 General Repairs - Drainage \$2,883.32

2) Increase Revenues:
Account No. DB0-2680-0000 Insurance Recoveries \$2,883.32

On July 18, 2018, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

### TOWN OF BOSTON - RESOLUTION NO. 2018-32

### AUTHORIZING PURCHASE OF DUMP AND PLOW TRUCK FOR HIGHWAY DEPARTMENT USE

WHEREAS, the Town of Boston Highway Superintendent has identified a need for a new dump and plow truck to support highway operations and to replace a similar truck that has reached the end of its useful life; and

WHEREAS, the Town's terrain and roads require that the truck meet certain specifications as set forth by the Highway Superintendent in New York State Office of General Services Vehicle Marketplace Mini-Bid Request #T18050041; and

WHEREAS, Fleet Maintenance, Inc., was the sole responsive bidder that met the Town's specifications, with the grand total price for a Western Star 4800SB Diesel truck with an Everest Stainless Steel Side Dump Body and other required equipment of \$256,108.75; and

WHEREAS, the bid by Fleet Maintenance, Inc., was pursuant to a previously negotiated contract awarded by the New York Office of General Services; and

WHEREAS, purchases off of an Office of General Services contract satisfy the competitive bidding requirements of New York's General Municipal Law; and

WHEREAS, funding for the purchase price of \$256,108.75 has been identified in the following budget lines: \_\_\_\_\_\_;

### NOW THEREFORE BE IT

**RESOLVED**, that Fleet Maintenance, Inc., is awarded the contract for the purchase of a Western Star 4800SB Diesel truck with an Everest Stainless Steel Side Dump Body for a total price not to exceed \$256,108.75.

On July 18, 2018, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

### **TOWN OF BOSTON – RESOLUTION NO. 2018-33**

### ADOPTING REVISED PROCUREMENT POLICY

WHEREAS, the Town of Boston desires to strengthen and improve its procurement policy, and intends from time to time to review and improve that policy; and

WHEREAS, certain weaknesses in the existing procurement policy have been identified by Town officials;

### NOW THEREFORE BE IT

**RESOLVED**, that the Town of Boston does hereby adopt the following procurement policies and procedures, effective immediately:

<u>Guideline 1</u>. Every prospective purchase of goods or services shall be evaluated to determine the applicability of General Municipal Law, Sec. 103. Every Town officer, board, department head or other personnel with the requisite purchasing authority (hereinafter "Purchaser") shall estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year. That estimate shall include the canvass of other Town departments and past history to determine the likely yearly value of the commodity to be acquired. The information gathered and conclusions reached shall be documented and kept with the file documentation supporting the purchase activity.

Guideline 2. All purchases of (a) supplies or equipment which will exceed \$20,000 in the fiscal year; or (b) public works contracts over \$35,000 shall be formally bid pursuant to GML, Sec. 103.

### Guideline 3.

- 1) All estimated purchases of supplies or equipment of less than \$20,000 but greater than \$10,000 require a written request for a proposal (RFP) and written/fax quotes from three vendors; less than \$10,000 but greater than \$5,000 require an oral request/fax quotes from at least two vendors; less than \$5,000 but greater than \$1,500 require an oral request for the goods and oral/fax quotes from 3 vendors if possible; less than \$1,500 are left to the discretion of the Purchaser.
- 2) All estimated public works contracts of less than \$35,000 but greater than \$20,000 require a written request for proposal (RFP) and fax/proposals from 3 contractors; less than \$20,000 but greater than \$10,000 require a written request for proposal and fax/proposals from at least two contractors; \$10,000 but greater than \$3,000 require a written request for proposal (RFP) and fax/proposals from 2 contractors; less than \$3,000 are left to the discretion of the Purchaser.
- 3) Any written RFP shall describe the desired goods, quantity and the particulars of delivery. The Purchaser shall compile a list of all vendors from whom written/fax/oral quotes have been requested and offered.

4) All information gathered in complying with the procedures of this Guideline shall be preserved and filed with the documentation supporting the subsequent purchase or public works contract.

### Guideline 4.

### 4.1 Purpose

The Town Board of the Town of Boston seeks to exercise the local option set forth in § 103, Subdivision 1, of the New York General Municipal Law, as amended by Chapter 608 of the Laws of 2011 and Chapter 2 of the Laws of 2012, which amendment authorizes the Town to award purchase contracts and contracts for services subject to competitive bidding under General Municipal Law § 103 on the basis of either lowest responsible bidder or "best value" as defined in § 163 of the New York State Finance Law. The "best value" option may be used if it is more cost efficient over time to award the good or service to other than the lowest responsible bidder if factors such as lower cost of maintenance, durability, higher quality and longer product life are germane.

### 4.2 Award based on low bid or best value.

The Town Board of the Town of Boston may award purchase contracts and service contracts that have been procured pursuant to competitive bidding under the General Municipal Law § 103 by either lowest responsible bidder or best value.

### 4.3 Applicability

The provisions of this chapter apply to Town purchase contacts or contracts for services involving an expenditure of more than \$10,000, but exclude purchase contracts necessary for the completion of a public works contract pursuant to Article 8 of the State Labor Law and exclude any other contract that may in the future be excluded under state law from the best value option.

### 4.4 Standards for best value

Goods and services procured and awarded on the basis of best value are those that the Town Board of the Town of Boston determines will be of the highest quality while being the most efficient. The determination of quality and cost efficiency shall be based on objectively quantified and clearly described and documented criteria which may include, but shall not be limited to, any or all of the following: cost of maintenance; proximity to the end user if distance or response time is a significant term; durability; availability of replacement parts or maintenance contractors; longer product life; product performance criteria; and quality of craftsmanship.

### 4.5 Documentation.

Whenever any contract is awarded on the basis of best value instead of lowest responsible bidder, the basis for determining best value shall be thoroughly and accurately documented.

### 4.6 Procurement policy superseded where inconsistent.

Any inconsistent provision of the Town's Procurement Policy, as adopted prior to the effective date of this chapter by resolution of the Town Board of the Town of Boston, or as amended thereafter, shall be deemed superseded by the provisions of this chapter.

<u>Guideline 5.</u> A good-faith effort shall be made to obtain the required number of proposals or quotations. If the Purchaser is unable to obtain the required number of proposals or quotations, the Purchaser shall document the attempt made at obtaining the proposals. In no event shall the inability to obtain the proposals or quotes be a bar to the procurement.

<u>Guideline 6.</u> Except when directed by the Town Board, no solicitation of written proposals or quotations shall be required under the following circumstances:

- (a) Acquisition of professional services;
- (b) Emergencies;
- (c) Sole source situations;
- (d) Goods purchased from agencies for the blind or severely handicapped;
- (e) Goods purchased from correctional facilities;
- (f) Goods purchased from another Governmental agency;
- (g) Goods purchased at auction;
- (h) Goods purchased for less than \$1,500;
- (i) Public works contracts for less than \$1,500.
- (i) Purchases pursuant to State or county bid, or local or federal bid.

<u>Guideline 7.</u> Any Town official designated by resolution as responsible for purchasing can approve purchases up to \$1500. Purchases \$1500 to \$5000 require written approval by the Supervisor. Purchases over \$5000 must be approved by the Town Board.

Guideline 8. Overnight travel in any amount must be approved at a Town Board Meeting.

<u>Guideline 9.</u> All vouchers shall contain information which properly and clearly identify the job, project, vehicle or equipment for which the parts, repair, and/or replacement pertain to. Expense reimbursement will be submitted on a quarterly basis. Full year vouchers accumulated will not be honored.

<u>Guideline 10</u>. This policy shall be reviewed annually by the Town Board at its organizational meeting shall or as soon thereafter as is reasonably practicable.

<u>Guideline 11</u>. The following Town Officials are designated as responsible for purchasing:

Town Supervisor
Court Clerk
Town Assessor
Code Enforcement Officer
Highway Superintendent

Town Clerk
Board Secretary
Cobble Hill Cemetery Liaison
Dog Control Officer
Nutrition Site Coordinator

### Recreation Director

### Parks Superintendent

On July 18, 2018, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

	Yes		No		Abstain		Absent

### TOWN OF BOSTON – RESOLUTION NO. 2018-34

### ADOPTING ANNUAL UPDATE DOCUMENT POLICY

In accordance with guidance provided under New York State legislation, the Town is required to file its annual report as follows:

- File with New York State 90 days (Towns with populations of 5,000 19,999) after fiscal year end. A 30-day extension is possible with a written request received by OSC municipal chief fiscal officer before the end of original period. Extension requests may be faxed to the Data Management Unit at (518) 486-3146 or scanned and emailed to AFRFILE@osc.state.ny.us.
- File with the Town Clerk within 10 days after receipt.
- The Town Clerk is required to publish a notice within 10 days of filing the report, including any related correspondence prepared in conjunction with such document. Guidance for the form of notice publication can be obtained from General Municipal Law §35, 2(a).

### **Town Procedures**

Once the Annual Update Document ("AUD") has been submitted to the State, the Bookkeeper's office should print a final version of the report, including the supplemental schedules and footnotes. This copy should be kept in an easily accessible place in the Bookkeeper's office.

Additionally, any data used to compile the report should be filed in an updated physical file folder in the bookkeeper's office. This file folder should also include a printed copy of the AUD and a copy of the report submission confirmation, noting the date and time that the report was submitted to the State initialed by who submitted it. This folder should be appropriately labeled with the year of the report.

An electronic copy of the AUD along with all electronic files used to compile the AUD should be saved on the bookkeeper's C-docs desktop folder, under "AUD."

### **Additional AUD Information**

• Days to file: 90

• System Problems: State Comptroller's Data Management Unit

(518) 474-4014

• Accounting/Preparation Problems: http://www.osc.state.ny.us/localgov/contact.htm
