Deputy Supervisor Rich Hawkins had reached out a few days ago regarding some log jams in Back Creek. Took pictures of a few sites that were in question and sent them to Mark Gaston for review. Thanked Supervisor Keding for all of the communication during this time.

Councilman Cartechine reported on the following:

Taking note of the situation that we have with the noise across the street from Mr. Oueeno's residence.

Thanking the first responders and all the people that are deemed essential workers.

Encouraging everyone to wash hands and maintain social distances set forth by Federal and State government.

Thanked Supervisor Keding for all of the time and the information given, he has taken charge in making sure we are informed.

Councilwoman Lucachik reported on the following:

Unfortunately we will not be having a Planning Board meeting. Will be getting those that were part of Code Review Committee to do some research so we can meet when the Town Hall reopens. Thanked Supervisor Keding for help, support, and information on a daily basis, very much appreciated.

Councilwoman Martin reported on the following:

Commended Supervisor Keding for all of efforts made, much appreciated in keeping us prepared for what is coming.

Town Clerk Quinlan reported on the following:

Even though the Town Hall is closed to the public entering the building, the Clerk's office will be open for phone calls and emails to assist residents with anything that we can.

Supervisor Keding reported on the following:

Thanked the Town Board members for the kind words. All of us in this community are in a situation that we have not had before. We do have

our first confirmed case. Hopefully there will be a quick recovery for that resident. The number of cases are going to increase, at least another couple weeks, until we hit an apex. Make sure to practice social distancing, wash hands, follow CDC, New York State Department of Health, and Erie County Department of Health guidelines to keep yourself and family members safe. We are all in this together. Committed to continue to keep information coming out timely and quickly.

As per the Governor's orders, Town Hall staff is approximately 50% or shift type work. This is something we are working on, so if residents have questions or concerns call the Supervisor's office.

Since the drop box for syringes and medicine is not available for residents to utilize, the Sheriff is willing to go to resident homes to pick them up if the resident is comfortable with that.

The IT infrastructure upgrade should be completed tomorrow, that will support anyone working from home and we can return back to work at the Town Hall with a much better IT infrastructure to support the services that our Town has been able to provide.

A motion was made by Supervisor Keding and seconded by Councilwoman Lucachik to adjourn the meeting at 7:58 p.m.
