in several places, we are going over
all the fence and drawing all the posts and
stakes when they Hamed out. Making a
lot of extra work. I think our snow
fund will be pretty good after we pay the
contract. If you would try and raise
what is left of the money. As I don't think
it necessary for me to be there and not
an extra work for the board
meeting. If you want any money in the
snow fund and a contract come, I will
not be able to take all the money is
around in our hands. I have to call
a board meeting, as it is against

snow fence now it Heaved out and broke
in several places, we are going over
all the fence and driving all the posts and
stakes where they Heaved out, making a
lot of extra work, I think our snow
fund will be pretty low after we pay those
vouchers here. If you would try and raise
what you figure will take care of it
to-night at the meeting, as I don't think
it necessary for me to be there and risk
an extra charge for attending a board
meeting. If we haven't any money in the
snow fund and a storm comes, I will
not be able to plan until the money is
raised one evening we would have to call
a special Board meeting, as it is against
the law as we were informed in at the
meeting. Thanking you

CHAPTER 1.

AN ORDINANCE RELATING TO THE COLLECTION, DISPOSAL,
REMOVAL AND TRANSPORTATION OF OFFENSIVE MATERIAL, IN AND
ABOUT THE TOWN OF BOSTON.

1. DEFINITION. The term "offensive material" as used in this section shall mean any sewage, fecal matter, manure, offal, garbage, dead animals, nest wastes, blood, tankage, brine, urine, or any putrescible organic matter, or the content of privies, cesspools, septic tanks or chemical toilets, either in liquid or solid state, or any other substance or liquid dangerous or prejudicial to health.

2. DISPOSAL. No person, firm or corporation shall permit, deposit, store or hold any offensive material on any premises or place or in any building or structure unless such material is so treated, screened, covered or placed as not to create a nuisance detrimental to health.

3. REMOVAL AND TRANSPORTATION. No person, firm or corporation shall remove or transport or permit the removal or transportation of any offensive material except in such manner and in or by such conveyance as will prevent the creation of a nuisance or the loss or discharge of such material in any public place. All such material shall be so handled, covered or treated that it cannot escape, or be accessible to rodents, flies or other insects, or create a nuisance. All vehicles and implements used in connection therewith shall be kept in an inoffensive and sanitary condition and when not in use shall be so stored or kept as not to create a nuisance.

4. PERMIT REQUIRED FOR COLLECTION AND DISPOSAL. No person, firm or corporation, except a municipality, shall engage in the business of removing, collecting, transporting or disposing of offensive material without a permit therefor issued by the Board of Health. Each such permit, unless otherwise stated therein, shall expire on the 28th day of February following the date of

license. Every permit shall be subject, to ever, to the power of revocation and suspension as hereinafter set forth, and irrespective whether or not such power of revocation and suspension be specifically mentioned in said permit. The Board of Health may impose a reasonable fee for the issuance of a permit.

6. **PERMITS.** No such permit shall be granted by the Board of Health only after a public hearing. Such permit shall be issued only where the Board is satisfied that the applicant has the necessary equipment, facilities and personnel to assure the observance of this ordinance, and that the business will be conducted in such a way and at such places as not to be offensive or dangerous or prejudicial to health, and will not create a nuisance. A renewal permit may be issued by the Town Board of Health without a public hearing.

6. **ENFORCEMENT.** It shall be the duty of the health officer and of the Board of Health to enforce observance of compliance with the ordinance, and with all rules and orders made by the health officer or Board of Health thereunder. Any person, firm or corporation, engaged in a business mentioned in this ordinance, shall comply with all such rules and orders made. For failure to comply with any requirement of this ordinance, or of any condition specified in the permit, or any rule or order made by the health officer or the Board of Health, the health officer of the Town may suspend, and the Board of Health may revoke any permit theretofore granted.

7. **ENFORCEMENT.** (1) Any violation of this ordinance or nonconformance with any rules or order of the health officer or of the Board of Health made thereunder is hereby declared to be a misdemeanor and punishable by imprisonment of not more than one year and a fine not in excess of \$500.00, or both.

(2) The Board of Health may impose a penalty not to exceed \$100.00 upon a person, firm or

corporation for any violation or failure to comply with any provision of this ordinance, or any order made pursuant thereto, or pursuant to law after holding a hearing thereon. Each day on which such violation or failure continues constitutes a separate offense. Nothing herein contained shall be construed to exempt an offender from any other protection or penalty provided by law.

(2) The board of health may institute an action in any court of competent jurisdiction to restrain by injunction any violation, or otherwise to enforce this ordinance and orders and regulations thereunder.

CONSTRUCTION CONTRACT

Articles of agreement made this 14th day of December 1939, between the
Henry F. Rucker Lumber Company of Boston N.Y. County of Erie, Party of the
first part, hereafter called the Contractors and the Town of Boston County
of Erie, N.Y. Party of the second part, hereafter called the Town, have and
hereby do mutually covenant and agree as follows.

The Contractors covenant and agree to erect a Town Tool shed on the new
Town Lot at a point staked out by the Town as provided for in the specification
filed in the office of the Town Clerk. The Contractors further covenant and
agree to construct said building according to detailed plan submitted by
the Contractors with their proposal.

The Contractors further covenant and agree to include in the construction
of said building matched sheathing on the side walls and cedar beveled
siding with heavy building paper between sheathing and siding. *Shed chert*

The Contractors further covenant and agree to furnish a bond, in favor of
the Town with sufficient sureties in the amount of One Thousand Dollars
(\$1,000.00) to be approved by the Town, twenty percent of which, shall be the
liquidated minimum amount of damages to the Town which may be caused by
failure on the Contractors part to complete this contract.

The Contractors further covenant and agree to comply with all provisions
of the specifications relating to labor and compensation, and, to cause said
building to be erected in a workman like manner and, to permit the Town Board
or said Town or it's representative to inspect said building during it's
construction.

The Contractors further covenant and agree to complete said building by
January 15th, 1940. Provided however that the Town may extend the date of
completion if the contractors show that any delay has been caused by a
condition over which they have no control.

The Town hereby covenants and agrees to pay over to the Contractors
Twelve Hundred and Fifty Five Dollars (The amount stipulated in Contractors
proposal) within ten days from the date of acceptance and approval by the
Town. Provided however this date may be extended by the Town due to any
condition that may arise over which the Town has no control.

and it is further agreed that the stipulations aforesaid are to apply to
and bind the heirs, executors, administrators, successors and assigns of the
respective parties.

In witness whereof, The said parties have hereunto set their hands and
seals the day and year first above mentioned and written.
